MONTHLY NEWSLETTER

January 2013

A happy and blessed New Year to my Brothers and Sisters in Christ

Un Año Nuevo feliz y bendita a mis hermanos y hermanas en Cristo:

Um Ano Novo feliz e abençoado para os meus irmãos e irmãs em Cristo

Sainte et joyeuse nouvelle année à mes chers frères et sœurs dans le Christ

그리스도 안에서 내 형제 자매 행복하고 축복받은 설날

Một năm mới hạnh phúc và phúc Anh chị em của tôi trong Chúa Kitô

Ein frohes und gesegnetes Neues Jahr meine Brüder und Schwestern in Christus!

The Charism of Cursillo is to live De Colores (filled with grace), giving testimony in the movable square metre that surrounds us by the best means, that is friendship. This is the Gift of God that gave origin to the Cursillos of Christianity Movement.

“Keep the spirit alive, Cursillistas! Walk the paths of the world taking with you the divine seal of grace on your faces with confidence and serenity. May your friendship with Christ blossom throughout all the world in a thousand colours”.
(Pope Paul VI Message at the II World Ultreya 1970)

With those words what more do we need! This is our year of Faith, filled with Grace. Our Charism says it all. In 2013 we need to work together in unity and harmony towards a joyful Encounter.

This month the newsletter is brief. A request for your assistance and a report on some areas of work.

Request: The OMCC Executive wishes to update the number of persons who have lived the Cursillo experience world wide. We hold no accurate record.

We need each National Secretariat to return to us, if you have records, the number of Cursillistas in your Country.

We would like this information as soon as possible, before the 31st of May.

Our usual procedure is to go through the 4 International Groups, but with this information I believe it will be easier for you to send it directly to the OMCC Secretary, Margaret Morris at this email omcc.exec@gmail.com

World Encounter: Do not forget the prayers for our successful planning.

The Registration Form and the Information Letter re the VII World Encounter were sent to the International Groups who will now distribute them to all National Secretariats.

At a later date they will be posted on the OMCC website.

Statutes: The modifications to the “ad experimentum” Statutes, approved by the International Groups, have been sent to Rome, as the PC requested.
